

A veterinarian wearing blue scrubs, a blue surgical cap, and a white face mask is examining a dog's head. The dog is lying down, and the veterinarian is wearing white gloves. The background is a clean, clinical setting. The image is overlaid with a large, stylized Union Jack flag in the bottom left corner.

**STUDY
VETERINARY MEDICINE
IN THE UK**

Studying Veterinary Medicine

Veterinary Medicine courses are among the toughest and most competitive programmes for an international student to gain admission to. As a veterinary student, you will need to juggle the challenges of clinical, academic, practical and ethical learning, while at the same time enjoying all the social aspects of being at university.

Each Veterinary school in the UK offers limited places for international students. We offer specialist advice on which institution is right for you while ensuring your application stands out.

Why choose SI-UK's Veterinary Medicine Service

- ▶ Advice on choosing the right Veterinary Medical School based on your GPA and work experience.
- ▶ Advice structuring your personal statement - certain qualities need to shine
- ▶ Interview practice with our UK qualified Vet who has experience on the interview panel of Royal Veterinary College in London.
- ▶ Support applying to four Veterinary Medicine schools in the UK
- ▶ Advice on what to include in your reference letter
- ▶ Advice on work experience to complete prior to your application
- ▶ Support with preparing supplementary information for each School

SI-UK Vet Medicine Service

SI-UK's Veterinary Medicine Service focuses on preparing a strong application which leads to an offer. With 15 years of experience, you will work alongside a dedicated consultant to strategically select 4 Veterinary schools to apply to. Your consultant will help you prepare your application, taking particular care with the personal statement.

Prepare for your interview with our one-to-one interview practice session conducted by a practicing Vet in the UK. Learn strategies on how to answer questions with our consultant Vet who has experience on interview panels in the UK.

What our students say:

“ Navigating the UK university admission process is challenging! Study in UK helps you through all that, including determining which schools I'd have the best chance of being admitted to based on my grades and animal handling experiences and successfully obtaining a visa. ”

Anna F, University of Edinburgh

“ SI-UK provided expert analysis, strategy and support from beginning to end. I strongly recommend utilizing the experience and knowledge of this company. ”

Janet T, mother of student
accepted to University of Glasgow

“ SI-UK's Vet Medicine service helped me gain entry to my first-choice university. The personal statement advice and interview practice was critical in my preparation. ”

Yasmin R, University of Bristol

The fee: **\$1685 CAD or \$1385 USD**

To qualify for the Veterinary Medicine Service we will need to see a copy of your transcripts from high school and/or university to confirm you are eligible to apply.

Which UK Vet School?

Deciding which Veterinary school in the UK to apply for can be a difficult decision for an international student. Factors such as entry requirements, course structure, reputation and cost all play a huge part as well as the success rate of entry of each school.

1. University of Bristol
2. University of Cambridge
3. University of Edinburgh
4. University of Glasgow
5. University of Liverpool
6. University of Nottingham
7. University of Strathclyde
8. Royal Veterinary College,
University of London
9. Aberystwyth University (with the RVC)

A Message From Our Founder

Studying Veterinary Medicine in the United Kingdom is a popular and accessible route for Canadian students. Our team of UK University Consultants are experts in not only finding the best possible vet med school for you but also ensuring you select a school that will make you employable upon your return to Canada. With 20 years of experience, our services are designed to simplify the process and help you submit the highest quality application.

SI-UK takes pride in the close relationships we have with UK's Veterinary Medicine schools and invite you to meet them at our weekly webinars. We support students from a wide variety of backgrounds and our consultants are committed to helping you succeed. I wish you the best of luck in your journey ahead and look forward to meeting you soon!
